Leticia Tonos'
debut film

LOVE CHILD

(LA HIJA NATURAL)

Maria, 18 year old daughter of a single mother, decides to look for the father she has never met after her mother dies in a tragic accident. She finally finds him in a nearby town, living in what appears to be a haunted old country house in the middle of a neglected banana plantation. Amidst the peculiarities and superstitions of the Dominican countryside, father and daughter will have to face the ghosts of the past that haunt them both.

The film will be introduced by Dr. Rachel Afi Quinn
