Spring Meet & Greet

📍 **Fine Arts Courtyard, Blaffer Art Museum**

Thursday, March 31

3:30pm–5:00pm

UH faculty, graduate students, and Houston community members are all invited to come network with one another and learn about approaches to community-engaged research and teaching with [Imagining America @ UH](#). Find out how to get involved in our working group, make connections for future collaborations, and learn more about the benefits of our recent membership with the national organization Imagining America.

Before we meet in the courtyard to introduce ourselves at 4pm, find us enjoying the Blaffer Art Museum's current exhibition: [The 44th Annual School of Art MFA Thesis Exhibition](#).

Presented by Imagining America @ UH Working Group and hosted by Blaffer Art Museum.
