Starting in Spring semester:

- Semester One: Spring
  - NUTR 7306 Statistics - 3 hours
  - NUTR 7305 Research Methods - 3 hours
  - NUTR 6302 Advanced MNT - 3 hours
- Semester Two: Summer
  - Capstone I - 3 hours
  - NUTR 6301 Clinical Aspects of Nutrition Support - 3 hours
  - NUTR 6117 Nutrition Practice - 1 hour
- Semester Three: Fall
  - NUTR 6303 Nutrition Management and Leadership for the Clinical Professional - 3 hours
  - NUTR 6304 Advanced nutrition counseling and education - 3 hours
  - NUTR 6218 Nutrition Practice - 2 hours
- Semester Four: Spring
  - Capstone II - 3 hours
  - NUTR 6319 Nutrition Practice - 3 hours

Admissions

GRE is not required if undergrad cum GPA is over 3.0!

Admission Steps

1. Completed University of Houston Graduate School application.
    - Submit your portfolio on the graduate school application
    - Submit 3 letters of recommendation
    - Submit personal statement
    - Submit completed application
2. Send official transcript from ALL prior institutions to gradschool@uh.edu

Admissions

What are we looking for?

- Currently enrolled dietetic interns desiring a graduate degree.
- Students accepted into a dietetic internship desiring a graduate degree.
- Credentialed Registered Dietitians who have completed their supervised practice experience after 2008.

- Major GPA above a 3.0 and cumulative GPA above a 3.0. Your major GPA should include your major class as well as all of your math and science classes.

Cost

Effective Fall 2024:

Credit hour cost is a flat rate for in-state and out of state students. The cost is $600.00/credit hour + required fees.

If you are a Texas Resident, please fill out the FASFA. Many of our students are eligible for UH graduate school fund scholarship. If you qualify, the scholarship will typically offer $2500 per Fall and Spring semester!
