

Scholar Enrichment Program (SEP)
Spring 2026 Workshop Schedule

Enroll in Workshops during Orientation or Online:

Students enrolled in a lecture course with an associated SEP workshop are eligible to enroll in the related workshop. SEP workshops do NOT replace recitations or labs.

How to Enroll:

Log into AccessUH with your CougarNet ID and password. Using myUH Self Service, search for the "IDNS" workshop using the 5-digit class number provided below. You must be enrolled in the Associated Lecture (in bold text) in order to enroll in the workshop. Courses marked with an asterik do not require specific professors. For further instructions, please visit <https://www.uh.edu/nsm/scholar-enrichment/workshops/>.
