	Adv Bus Elec	3000-4000 level appd energy cr	3				
	Semester Hours			15	Semester Hours		12
							120

\*Core Curriculum

\*\*Business Administration and Management Field of Study (Students with transfer credit for statistics are required to take STAT 3331 as a prerequisite for FINA courses, which will count as an advanced business elective. It may not double count.)

^Students may only take ECON 3332 or 3334 if they have course credit or AP credit or credit by exam for ECON 2304 or 2305 in order to meet the 3 hour Core Social and Behavioral Science requirement (ECON 3332 and 3334 do not meet that requirement). Students who have completed ECON 2304 and/or 2305 with a B- or higher may substitute them for ECON 3332 and/or 3334.

#Students not placed into MATH 1431 start with MATH 1330 Precalculus, which counts as a General Elective.

>3000-4000 level business courses, except for MIS 3300, MARK 3337, ENTR 3310 and ENTR 3312, are not open to non-business majors unless required for their major, a business minor or special program; these students should take core courses instead. Students are not eligible to change their major to business if they do not meet the requirements by 45 credit hours.

Students should meet with their academic advisor to formulate their own plan.
